

Vera Vuitton, Prince Charming

Prince Charming, Oh yeah ah oh, prince charming)

He rides a great white horse, It's not a greyhound bus
He's a gentleman, not a hip-hop thug
See him in my dreams
Hate when I wake up
Still holdin on
People think I'm nuts

Bridge:
But soon he'll come and call for me
And take me from reality

Chorus:
Prince Charming, can you rescue me
Are you real, can you make me feel
Feel unreal
Prince Charming, I believe in you
Fairytale can come true
So I will wait for you

(Prince Charming, Oh yeah ah oh)

Tell me how I'll know
Does he wear a crown
Haven't found him yet, must be out of town
Heart made of gold, body like a rock
Likes to serenade, maybe even smart
And I will wait with just one kiss
The poison song right from my hips

(Chorus 2x)

(Prince Charming, Oh yeah ah oh, oh yeah ah oh
can you rescue me, can you rescue, can you rescue, can you rescue me oh
can you rescue me, can-can you rescue me, oh-oh, can you rescue, can you rescue,
can you, can you, can you, can you)

Prince William where you at, where you at
Matt Damon where you at, where you at
Kobe Bryant where you at, where you at
Romeo say where you at, where you at
Romeo say where you at, where you at
Leo DiCaprio where you at, where you at
Sisqo where you at, where you at
Romeo say where you at, where you at

(Chorus til end)
