

Verbena, Lovely Isn't Love

we may get caught
but we'll never be found
not until we're on our knees
we may get caught
but we'll never be found
not until we're on our knees
wish love
dont trust
lovely isnt love until it bleeds (x2)
ringings dead and your face is down
you just love your perfect things (x2)
wish love
dont trust
lovely isnt love until it bleeds (x4)
hey yeah
