

Vert, Different

(C)

standin' 'round with a shadow cross my face
shunned by all, a Jesus freak
I'm different, not normal, dressed to formal,
not like them

(C)

well, I don't care. well yes, I do
but, I don't want them to like me
I want somethin' new

(C)

(C)->that's to bad, I don't care, lose the smile,
fix your hair AH, forget it
