

Vert, Here I Stay

here i stay

till i die

for the pain of movin's to great

they say to come out, but i don't move

for this is safe

here i stay, never to move. i'll stay here forever. It is safe

D-Day comes D-Day goes. the war may end, or the world may blow

in here i'll stay. It's safer this way

if the bomb falls i'll die if it don't i won't.
