

Vertical Horizon, Wasted

Oh, somebody else is looking up
Oh, somebody else is showing how you do it
I never fall in love
I just fall out of it
I never get enough
I just say enough of this
And I've had enough of this

Wasted words you gave me
Wasted talk is cheap
Wasted, I think your eyes are killing me
Wasted somewhere in between

Oh, another fight is going down
Oh, and nobody else is making a sound
I always say too much
I always miss the bus
I never get enough
I just say enough of this
I've had enough of this

Wasted words you gave me
Wasted talk is cheap
Wasted, I think your eyes are killing me
Wasted somewhere in between

Oh, I guess I'm breaking through
Oh, and it's all the same without you
I never fell in love
I just fell out of it
I never had enough
I just had enough of this
I've had enough of this

Wasted words you gave me
Wasted talk is cheap
Wasted, I think your eyes are killing me
Wasted somewhere
