

Vertical Horizon, Won't Go Away

Heal me baby, baby won't you
I go crazy, crazy for you
Won't you tell me, tell me what to do?
I go crazy, crazy for you

'Cause the way you look at me
I can say you set me free
And no matter what you say
I won't go away
I won't go away

I see the world, the world is you
I see baby, baby blue
Everyday's a day to get through
'Till I see baby, baby blue

And the way you look at me
I can say you set me free
And no matter what you say
I won't go away
I won't go away

And it takes
Such a long time
To get through this
Such a long time
To find this kiss
And I can't fully get it
I'm not ready yet

And I came
Such a long way no where you are
Now I'm falling from this star
And I can't fully get it
I'm not ready yet

'Cause the way you look at me
I can say you set me free
And no matter what you say
I won't go away
I won't go away

Heal me baby, baby won't you
I go crazy, crazy for you
Won't you tell me, tell me something new
I am crazy, crazy for you
I am crazy, crazy for you
I am crazy, crazy for you
