

Vex Red, Vow

come back
i'd love to hold you
they will try to cut me down
and its all

i carved you and me
i carved you and me
i carved you and me
in my heart

leave me somehow
leave me somehow

i am dead
i am dead
i am dead
i am dead
i am dead

i'm not too sure if this is right...i think most of it is, some bits are hard to make out
