VIBEKINGz, Like The Wind

She's like the wind, through my tree She likes the night, next to me She leads me through moonlight Only to burn me with the sun She's taken my heart she doesn't know what she's done To Feel her breath on my face Her body close to me Can't look in her eyes She's out of my league Just a fool to believe I have anything she needs She's like the wind I look in the mirror and all I see Is a young old man with only a dream And I just fooling myself That she'll stop the pain Living without her I'd go insane To feel her breath on my face Her body close to me Can't look in her eyes She's out of my league Just a fool to believe I have anything she needs (shes like the wind) To feel her breath on my face Her body close to me Can't look in her eyes She's out of my league Just a fool to believe I have anything she needs She's like the wind She's like the wind
