

Vicious Rumors, Against The Grain

(Lyrics: G.Thorpe, C.Albert // Music: G.Thorpe, M.McGee)

It's really been a pleasure to be such a pain

Oh, like a nasty stain that won't go away

I won't go away

Don't care what you say

Doin' things my way

I've got the hammer to nail you back into your box

I-I'm here to stay

I've got the power to stand up and take what I want

Are we all insane - Hate for hatred's sake

I choose to break away - Runnin' against the grain

I put the puzzle together and I slice my own pie

You know some won't like it - but to me that's just fine

Out of my way I don't want to play

Do you hear what I say

I don't want to play

I've got the pressure to back you right up to the wall

And you - do you hear what I say

This is the hour I welcome you all to the ball

Are we all insane - Hate for hatred's sake

I choose to break away - runnin' against the ... grain

Are we all insane - hate for hatred's sake

I choose... I choose to break away
