

Victoria Adams, A Mind Of It's Own

I look at you and I know you're trouble
I should run just fast as I can
Yeah! one smile, game over, here in front of you I stand

I know your only gonna burst my bubble
Trouble is, my heart don't care
It's ignoring all the danger signs
Stop, slow down, take a deep breath, beware

I'm not willing to be so fearless- careless, just yet
Cos' once bitten twice shy , is what you get

My hearts got a mind of it's own
Won't listen to a word I say
Doesn't it know that I get hurt too
When it acts that way -----
Cos' when it breaks I break
I don't know - how much more of this I can take
Doesn't it know that I get hurt too
When it acts that way

Too many times I've witnessed
My heart make a fool of it s self
So sure it's gonna turn out one way
Always turns out being somethin' else

My hearts got a real malfunction
Always flippin' into over ride
When I tell it to be sensible
Uh! it over rules my cynical mind

I'm not willing to be so open ,transparent, no not yet
Cos' once bitten twice shy , , is what you get
But here in front of you, there's nothin I can do

Chorus

Stop, slow down, take a deep breath,(breath) think about what I'm doin'
Think about once bitten , twice shy
Stop, slow down, take second, (breath) before u rust right in
It's gonna be our tears we cry
