

# Victoria Beckham, I.O.U.

Love is such a precious gift  
One thing in my life I know is true  
And I.O.U.  
Deeper than the ocean bed  
You touch me like no one could ever do  
I.O.U.

And I never could repay that look that's in your eyes  
I could save up all my kisses 'til the end of time  
All my love in my life 'til it's through  
I.O.U.

Love is such a precious gift  
The currency of life I never knew  
Now I.O.U.  
Keep it for eternity  
The vow I made the day I said "I do"  
I.O.U.

And I never could repay that look that's in your eyes  
So, to pledge myself to you would be no sacrifice  
All my love in my life 'til it's through,  
I.O.U.

You lay me down on hallowed ground with one touch of your hand  
Hold me like a baby, that's when suddenly I understand  
All that you do, I owe it to you

All my love in my life 'til it's through, I.O.U.  
All my love in my life 'til it's through, I.O.U.

All my love in my life 'til it's through, I.O.U.

And I never could repay that look that's in your eyes  
I could save up all my kisses 'til the end of time  
All my love in my life 'til it's through, I.O.U.

(Baby, baby I.O.U.  
One thing I know is true  
Baby, baby I.O.U.  
I.O.U., I.O.U.)

All my love in my life 'til it's through, I.O.U.
