

Victoria Beckham, I Wish (Remix)

Ah, come on
Ooh, who me?
Come on, uh

I saw you outside
Getting out your ride
A CLK 430, you've got style
And baby there's no doubt
I've been known to mess around
Until the day you came along
Tell me where could we go wrong?

How bout you buy me a rose cos I think (harmony)
This is gonna get a little interesting (yeah, hey)
Let's see where this conversation goes (harmony)
I'm not sure that I want you to know

I wish I could right now
Wish that I could show you how (yeah, yeah)
I'm feeling you (I'm feelin' you)
Boy I try I can't hide (can't hide)
How badly I want you tonight
I've gotta fight it

If you take me home
Get me all alone
Nothing could happen it's just too soon
If you could read my mind
Would you slap my face
Look at what's been said and done
Baby I think you're the one

If I gave you the wrong impression I (harmony)
Apologise from the bottom of my heart
I'm talkin' out my head, probably misled you (harmony)
You're confused, are you a little scared?

I wish I could right now (could right now)
Wish that I could show you how (show me how)
I'm feeling you
Boy I try I can't hide (boy I try, I can't hide)
How badly I want you tonight (want you tonight)
I've gotta fight it

My bodies playin' tricks on me (harmony)
I'm just not thinkin' clearly (harmony)
This has happened too quickly, I've got to slow down (harmony)
Tomorrow is another day (harmony)
This I promise if you say (harmony)
That it doesn't matter, everything is gonna be okay (harmony)

Soul Power (okay, hmm, okay)
Come on (I wish (harmony))

I wish I could right now (I wish I (harmony), I wish)
Wish that I could show you how
I'm feeling you
Boy I try I can't hide (oh, yeah, I can't hide it baby)
How badly I want you tonight (I want you tonight, want you, yeah)
I've gotta fight it

I wish I could right now
Wish that I could show you how (if you only knew)
I'm feeling you (yeah, yeah, tell me baby)

Boy I try I can't hide
How badly I want you tonight
I've gotta fight it

(I wish I, could show you)
Wish upon the stars, baby there you are
If you could only see, baby you were made for me
(Boy I try, I want you)
