

# Victoria Monét, Nothing Feels Better

Sometimes I don't know if I tell you enough  
But I want you to know, you make life better  
I wonder if forever is even enough  
It's a feeling I just can't measure

Baby, nothing, nothing feels better than loving you, you  
I'ma tell you, nothing (Mhm)  
Nothing feels better than loving you, you, you  
Nothing in this world could feel much better than loving you  
Better than loving you, you  
Nothing in this world could feel much better than loving you  
Better than loving you, you (Mhm)

My little sunshine, the best I've ever done  
You're everything I've ever hoped for, wrapped up into one  
Oh, I can see my whole world in your eyes and it makes me want to cry  
Because I'm just so happy that you're mine

Baby, nothing, nothing feels better than loving you, you  
I'ma tell you, nothing (Mhm)  
Nothing feels better than loving you, you, you  
Nothing in this world could feel much better than loving you  
Better than loving you, you  
Nothing in this world could feel much better than loving you  
Better than loving you, you (Loving you)
