

# Victory, Into The Darkness

She was far too young, could have so much fun  
Living on past memories  
Must track her killer down before he can be free  
But that ain't no excuse

Don't go into the darkness  
Don't go out of the light  
Don't go into the darkness  
You're gonna lose your mind

It was suicide  
How she took her life  
I was suicide

There just ain't no way to bring her back again  
But he's blind to everything  
Someone's got to pay and that's his reasoning  
He will make the mistake

Don't go into the darkness  
Don't go out of the light  
Don't go into the darkness  
You're gonna lose your mind

Don't go into the darkness  
Don't go out of the light  
Don't go into the darkness  
You're gonna lose your mind

Don't go into the darkness  
Don't go out of the light  
Don't go into the darkness  
You're gonna lose your mind
