

Ville Valo, Loveletting (VV)

Here in my hearts an endless sorrow
Tearing apart all that you and I could've been
Love, you are the road I walk alone
The endless night I keep dreaming of

Two heartbeats out of sync with each other and crying
Dreaming of love letting love

Trapped in a loop of chasing shadows
Of all we have lost and of all that we'll never ever be
Love, You are the song I sing alone
The darkness I keep dreaming of

Two heartbeats out of sync with each other and crying
Dreaming of love letting love
Two heartbeats out of sync with one another and dying
Dreaming of love letting love
Dreaming of love letting love

Heartbeats out of sync with each other
Heartbeats so far apart from one another
Heartbeats out of sync with each other
Heartbeats so far apart from one another
Heartbeats out of sync with each other
Heartbeats so far apart from one another
Heartbeats out of sync with each other
Heartbeats so far apart from one another

Two heartbeats out of sync with each other and crying
Dreaming of love letting love
Two heartbeats out of sync with one another and dying
Dreaming of love letting love
Dreaming of love letting love
And you're so beautiful, you are
In the light of the setting sun
Dreaming of love letting love
