

VINCE GILL, For The Last Time

(Vince Gill, Steve Diamond)

One look, one kiss
Just a few words
Showed me such kindness
Your eyes really see me
Not for what I've been
But for who I am and what I could be

[Chorus:]
How did you know I was waiting?
How did you know you were saving me?
Oh what a gift to leave it all behind
Lonely has known me for the last time

This love is forever
It won't be taken
For granted not ever

[Chorus]
