

# VINCE GILL, Let It Snow, Let It Snow, Let It Snow

(Sammy Cahn, Jule Styne)

Oh the weather outside is frightful  
But the fire is so delightful  
And since we've no place to go  
Let it snow, let it snow, let it snow

It doesn't show signs of stopping  
And I brought some corn for popping  
The lights are turned way down low  
Let it snow, let it snow, let it snow

When we finally kiss goodnight  
How I'll hate to be out in the storm  
But if you really wanna hold me tight  
All the way home I'll be warm

The fire is slowly dying  
And my dear, we're still goodbying  
As long as you love me so  
Let it snow, let it snow, let it snow

Let it snow, let it snow, oh yeah  
Let it snow, let it snow, let it go  
Let it snow, let it snow, oh yeah  
It's coming on down for miles around

Let it snow, let it snow, oh yeah  
Let it snow, let it snow, let it go  
Let it snow, let it snow, oh yeah  
It's coming on down for miles around  
Miles around

Oh the fire is slowly dying  
And my dear, we're still goodbying  
As long as you love me so  
Let it snow, let it snow, let it snow

Let it snow, let it snow, let it snow  
Let it snow, let it snow, let it snow

Let it snow, let it snow, oh yeah  
Let it snow, let it snow, let it go  
Let it snow, let it snow, oh yeah  
It's coming on down for miles around

Let it snow, let it snow, oh yeah  
Let it snow, let it snow, let it go  
Let it snow, let it snow, oh yeah  
It's coming on down for miles around

Let it snow, let it snow
