

VINCE GILL, Live To Tell It All

(Vince Gill / Sonya Isaacs)

True love is understated
True love is being known
Oh I've never felt so connected
And two hearts have found a home

[Chorus:]
And no matter how we struggle
Oh I'll answer when you call
And we'll walk away from trouble
And live to tell it all

Safe in my arms I'll keep you
Never more to roam
And I promise to lay down beside you
When our names are carved in stone

[Chorus 2x]
