

# VINCE GILL, Molly Brown

Molly Brown waits for me  
In a little one-horse town  
Boley, Oklahoma, where white folks don't come around  
I'm thinkin' about you, Molly  
I'm forbidden to come around  
Lord knows I love you Molly  
Molly Brown

Molly Brown, Molly Brown  
Lay down by my side  
Show me how to spread your wings and let that pony ride  
I'm crazy about you , Molly  
I don't care that your skin is brown  
Lord knows I need you Molly  
Molly Brown

We met down by the river  
She wore her wedding gown  
Never saw it coming  
No one heard a sound  
My daddy used both barrels  
And left me there to drown  
Lord knows I'd die for Molly  
Molly Brown

Molly Brown, Molly Brown  
Don't you weep for me  
I'm going to a place the Lord  
Prepared for you and me  
I'll meet you up in Heaven  
Upon that Holy ground  
I'll be waitin' for you Molly
