

Vince Neil, One Less Mouth To Feed

(1)

Daddy's in the bathroom
Mama's on the streets
Garden party soiree
Makes no sense to me
Sirens in the background
Gunshots I can't see
Won't anybody listen
To a child of three

(chorus)

Can't you see me oh ya
Can't ya see me now
Don't you need me oh ya
Don't ya need me now

Please feed me oh ya
One less mouth to feed
Can't you see me

Cryin' from the hunger
Of a love that isn't there
Nothing really matters
Cause no one really cares
Starin' out the window
There ain't nothin' I can't see
Is this my future
Is hell my destiny

(chorus)(1)(chorus)
