

Vince Neil, Set Me Free

Gagged, ballad and chained
Feels just the same
Hands on the wall
Maybe youre just
Playin games
Set me free

Mauled by a hound
Hangin around
Is this for real
I dont know when ill
Be found
Set me free

Ah, ah, ah set me free
Ah, ah, ah set me freee from you

Taken by force
By you of course
Far from my bed
I know id rather be dead

Set me free

Ah, ah, ah set me free
Ah, ah, ah set me free from you

Fire in my brain
Brun me insane
Makin your mark
Dont leave me here in the dark
Set me free

Call me a saint
Thats what I aint
Inside my head
Maybe id feel better dead
Set me free

Ah, ah, ah set me free
Ah, ah, ah set me free from you
