

Vincent Tomas, I'm with you

Somehow this is strong
Somehow I feel weak
The feelings that I feel inside are deep (oh girl)
You know that is right
I call and I'll write
And all we have to do is just hold on, hold on.
And I believe you're an angel
And I believe we'll have our time
And I believe that you will stay
forever the one for me.

(refren)

'cause I'm with you, girl
no matter where you are or there
I'm with you ,girl
till you know I realy care
Now we have to part
I'll save my heart
It's only for you
There's nothing that
I wouldn't do to prove
That I'm with you
I'll keep holdin' on
I'll keep you with me
Forever in my heart
you hold the key (oh girl)
We have to live our lives
And this we can't deny
Our love will stand the test of time
I know ,I know
And I believe you're an angel
And I believe we'll have our time
And I believe that you will stay
forever the one for me, for me.

(refren)

'cause I'm with you, girl
no matter where you are or there
I'm with you ,girl
till you know I realy care
Now we have to part
I'll save my heart
It's only for you
There's nothing that
I wouldn't do to prove
That I'm with you
I will call you, I will write to you
So you always know I care.
I will miss you, I will send you
gifts of love that show you I'm true
Now we have to part
I'll save my heart
It's only for you
There's nothing that
I wouldn't do
to prove I'm with you
