

Violent Delight, Never Give In

Why do you say
That things will never
Why do you think
Instead of just pretend
I will never stay
Just waiting here
Cos I will never give you
What you want to hear

What did i think
What did i say
Why did i think
And give it all away

If it never came
To me at all
Would I just give up
Or would I fall
Would I stay here
Waiting for you
Or would I know
What to do

Why insist
Your here to stay
Everything I know
Always goes away

Never give in
To you say

I don't care
What you say
I wil never give in to you anyway
