

Violent Delight, Secret Smile

I've known you for so long
Just look it can't go wrong
I'm always open to you
Now there's just one thing for you to do
I've waited for this day
Now there's just one thing for you to say
It's all up to you
Show me that smile or I'll leave you

Show me your secret smile
Why do you hide it away from me
Is it that you don't trust me
Or am I just to fucking ugly
Show me your secret smile
Why do you hide it away from me
Is it that you don't trust me
Or am I just to fucking ugly

You always tell me no
But why don't you give it a go
It is important to me
I dunno why you can't see
You've got nothing to lose
It's not something I'd abuse
So give in to me
Drop it now and set that smile free

Show me your secret smile
Why do you hide it away from me
Is it that you don't trust me
Or am I just to fucking ugly
Show me your secret smile
Why do you hide it away from me
Is it that you don't trust me
Or am I just to fucking ugly

Why don't you give in to me
Your always saying no to me
I'll be as good as I can be
Show that secret smile to me

Is there something wrong
Let's just get it on
Do you want it up the arse
I'll get it up there fast

Show me your secret smile
Why do you hide it away from me
Is it that you don't trust me
Or am I just to fucking ugly
Show me your secret smile
Why do you hide it away from me
Is it that you don't trust me
Or am I just to fucking ugly

Why don't you give in to me
Your always saying no to me
I'll be as good as I can be
Show that secret smile to me
