

Violent Femmes, Good Feeling

Good feeling
won't you stay with me just a little longer
it always seems like your leaving
when I need you here just a little longer
dear lady there's so many things
that I have come to fear
little voice says I'm going crazy
to see all my worlds disappear
vague sketch of a fantasy
laughing at the sunrise
like he's been up all night
ooo slippin and slidin
what a good time but now
have have to find a bed
that can take this wait
good feeling
won't you say stay with me just a little longer
it always seems like your leaving
when I know the other one
just a little too well
oh dear lady
won't you stay with me just a little longer
y'know it always seems like your leaving
when I need you here just a little longer
