

# Violent J, What You Thinkin' About?

(Scarecrow)

I'm just happy we alive in this bitch

(Tin Man)

Where the fuck we at now?

(Violent J)

A big ass yellow, and green,  
and purple, and faggot ass pink mushroom field  
Damn

(Tin Man)

Well fuck it, let's go

(Scarecrow)

Let's eat some of these bitches

(Violent J)

Man I never did before, but since we in Oz and all

(Scarecrow)

That's what I'm saying

(The Lion)

Well let's at least walk while we eat, come on

(Chorus 2x)

Thoughts fly away in the mushroom field  
Randomly telling what's revealed  
Filling my pockets cause they worth a meal  
And the kingdom's over them hills

(Violent J)

Let me go ahead and eat a few of these thangs  
See if I can't hang  
What you thinkin' about?

(Scarecrow)

Cigarettes, menthol only  
To grow old with my kids and homies  
All the years on that pole so lonely  
And all them crows shittin' on me  
What you thinkin' about?

(Tin Man)

Makin' payments on the Batmobile  
With the phat sound system and 32 inch wheels  
E'rrybody on the yellow brick jocking  
Well I'm just snappin real slow  
What you thinkin' about?

(Violent J)

Nate The Mack, my homie from way back  
Everybody got a homie like that  
In fact, I hope he okay  
I hope his momma doing good  
(You should call him)  
Maybe I should  
What you thinkin' about?

(The Lion)

Caddies  
Sittin' on triple gold daytons  
Sun shining on 'em and they sparkle up the pavement

People wanna catch a glimpse and show respect  
Now I'm the king  
Ruler over everything  
What you thinkin' about?

(Scarecrow)  
A fine bitch and some weed to smoke  
I gotta have a little bit of puss to poke  
(You ain't no joke)  
A fat bag of dro and a hoe  
And that's all you really need to know  
What you thinking about?

(Violent J)  
Titties  
They come in all shapes and sizes  
Each bitch with they own surprises  
And if they only had on they back when hitting doggy  
You can suck on that  
What you thinking about?

(Tin Man)  
Shit, finishing off my Megos set  
And making that small dream an accomplishment  
So I can find a new hobby like collecting skin  
Never removed from the package all mint  
What you thinkin' about?

(The Lion)  
Bitches  
That's what I'm thinking about  
They clothes so tight  
Ass and titties lookin' so right  
Stacks of cash and all kinds of tropical hash  
And hittin' blunts till my last  
Now what you thinkin' about?

(Violent J)  
Blaze Ya Dead Homie  
(Who ya dead who?)  
Who ya dead who?  
Where I'm from that's cool  
Anyway, I'm just wondering when it's Colton shit droppin'?  
I'm tryin' to get my gold six hoping  
What you thinking about?

(Tin Man)  
Whatchin' my favorite wrestling pay-per-views  
On a 100 foot screen  
Television tube  
With the fast forward button  
I can fly past the jobbers while eating pizza getting fat  
What you thinking about?

(Scarecrow)  
Wizard, I really hope he's there  
And he can help J get the fuck outta here  
(I hear what you're saying crow, Tin what you think?)  
(Man he better have some drinks)  
What you thinkin' about?

(Violent J)  
What I'm thinkin' about, going home  
And it's down this path we roam  
Come on

(Chorus 4x)

Thoughts fly away in the mushroom field  
Randomly telling what's revealed  
Filling my pockets cause they worth a meal  
And the kingdom's over them hills

(Violent J)

There it is ya'll  
We made it  
You ready to go in?

(Scarecrow)

First tell us, why do you wanna go home anyway?

(Tin Man)

Yeah, why don't you just stay with us  
in this fantasy ass fantasy land?
