

Violet Indiana, Never Enough

Never enough, enough of your stuff
I'm sick of being of being done
I'm not good enough
Telling me what i should say or do
I'm never enough
Not good enough
Not good enough
Not good enough
Not good enough for you

'Cos you and me
Should never be
There is nothing left inside of me
'Cos you and me
Should never be
I'm over you
You sigh about me

It's always the same
Kept playing games
I'm sick of you
Everything you do
Have you ever thought
That maybe i don't care?
Enough of you
I'm sick of you
Everything you say
Everything you do
I wish that you just weren't there

'Cos you and me
Should never be
There is nothing left inside of me
'Cos you and me
Should never be
I'm over you
You sigh about me

Not good enough, not good enough
Good enough, good enough, i'm not good enough
I'm not good enough for you
There is nothing left for us to say or do
It's all and done now
Just walk away
Just nothing left for me to do
And there is nothing left to say
I'm over you
Never enough
I'm never enough for you
There is nothing left to say
And there is nothing left to do
