

Virginia Coalition, Nicole's Song

So now I've been forced to give advice
On a matter in which now I've become involved
Should I stop my thoughts and close my eyes
Play the lover's role in the beggar's disguise
And beg God to give me
Solomon's wisdom

Knowing that I
Could love you twice as well as he could
In Knowing that I
Could love you twice as well as he could

Sweet Georgia Brown
Ran into a love affair without even lookin' down (at the bottom)
You say your conscience ails you
You say your mind's not clear
Wrap you up in a summer's day
Take your mind outta here
Take your mind straight outta here, la da da

Knowing that I
Could love you twice as well as he could
In Knowing that I
Could love you twice as well as he could

Well I guess that's just the way it goes
Thought I had you trapped up darling,
I Thought I had you wrapped around my finger

I was wrong
Baby, Now I was wrong

Knowing that I
Loved you twice as well as he could
Knowing that I
Could love you twice as well as he could

Slow down and give it up to me
Slow down when you talk to me baby
Slow down and give it up to me now
You know that you're the one I want

Slow down, and give it up to me
Slow down when you talk to me baby
Slow down, and give it up to me now
Now you know that you're the one I want
You're the one I want

Would ya slow down and give it up to me
Slow down when you talk to me baby
Slow down and give it up to me
Now you know that you're the one I want
You're the one I want
You're the one I want
