

# Virtue, Merciful To Me

(Na na)  
I can remember on that day  
When my life almost slipped away  
Though I knew I wasn't sober you decided it's not over  
'Cause You knew my life was more than I could see (ooh)  
I look back upon it all (ooh)  
You've been merciful to me  
I look back upon it all (upon it all)  
'Cause You've been merciful to me

It was so hard to understand  
Nothing was going like I planned  
I should have laid it all upon You but I took my pain out on You  
But You looked beyond what was to what could be  
I look back upon it all  
(You've been) You've been merciful to me (yea)

(Bridge)  
And while I was giving up on me  
Your patience was shaping my life story  
You worked a miracle I know I don't deserve  
(Na na na na na na na na na na ooh)

Not a moment should pass before I say  
You never took Your love away (ooh)  
(?)  
(I will always) remember  
That the grace You gave me changed my destiny  
I look back upon it all  
You've been merciful to me  
(I look back upon it all) I look back upon it all  
You've been merciful to me  
I look back upon it all  
You've been merciful to me
