

# Vision Divine, Fading Shadow

Hey there, can't you see me now?  
I'm here with you  
Why don't you smile at me?  
Like a ghost I fade  
I am nothing  
With emptiness I melt  
In broken pieces

Tell me  
Why don't you talk to me?  
I'm nothing but  
A fading shadow

My spirit wanders in the dark  
Looking for a piece of sun  
Out here it's so cold  
I float in space without a name  
Who could listen to my words  
Of pain and sorrow?

Every day and every night  
Searching for some faces  
Lost in sullen traces

Tell me  
Why don't you talk to me?  
I'm nothing but  
A fading shadow

Tell me  
Why don't you talk to me?  
I'm nothing but  
A fading shadow
