

Visqueen, Omaha

Missing you tonight
since you took that flight
because baby we're so tight

You and me
We're mutual like Omaha
Fingerprinted, dusted the same
You and me, we're mutual like Omaha
Thick as thieves, bound by one chain

Something feels so right
Get on a plane tonight
because baby I've drawn the line

You and me
We're mutual like Omaha
Fingerprinted, dusted the same

You and me, we're mutual like Omaha
