[Chorus:]

They say he's just a boy
But I'm boy crazy(boy crazy)
Boy crazy(boy crazy) yeah

That's why I'm boy crazy(boy crazy)
Boy crazy (boy crazy) yeah

[Kelci:]

Delirious
All I want
I think I'm boy crazy
First week of school
I was crazy about this boy [?] baby
Thinkin about you everyday
Right at the moment
Can't fade away
My mind can't stay away
That's sure is the word today
Boys boys boys
I love these crazy boys
Crazy boys are my choice
I wanna hear your voice
I can't leave em alone
When I'm in the zone
You can't tell me no
I'm just a crazy girl
Who wants a crazy boy

[Chorus:]

They say he's just a boy
But I'm boy crazy(boy crazy)
Boy crazy(boy crazy) yeah
I know he's so much more
That's why I'm boy crazy(boy crazy)
Boy crazy (boy crazy) yeah

[Taylah P.:]

Taylah P superfly boy crazy
Just look at me
I'm a certified v boss baby
And he's a getaway
Maybe we can getaway
The boys they just drive me crazy
This feelin it's insane
Pure infatuation and his appearance it is the same
My composure it becomes so hard to maintain
Every dude is not the same
He's so much more
I can see the change
Wait for me so I can be your change
Por favor let's give it a chance
