

# Vitamin C, Friends Forever

And so we talked all night about the rest of our lives  
Where we're gonna be when we turn 25  
I keep thinking times will never change  
Keep on thinking things will always be the same  
But when we leave this year we won't be coming back  
No more hanging out cause we're on a different track  
And if you got something that you need to say  
You better say it right now cause you don't have another day  
Cause we're moving on and we can't slow down  
These memories are playing like a film without sound  
And I keep thinking of that night in June  
I didn't know much of love  
But it came too soon  
And there was me and you  
And then we got real blue  
Stay at home talking on the telephone  
We'd get so excited, we'd get so scared  
Laughing at ourselves thinking life's not fair  
And this is how it feels

(1) - As we go on  
We remember  
All the times we  
Had together  
And as our lives change  
Come Whatever  
We will still be  
Friends Forever

So if we get the big jobs  
And we make the big money  
When we look back now  
Will our jokes still be funny?  
Will we still remember everything we learned in school?  
Still be trying to break every single rule  
Will little brainy Bobby be the stockbroker man?  
Will Heather find a job that won't interfere with her tan?  
I keep, I keep thinking that it's not goodbye  
Keep on thinking it's a time to fly  
And this is how it feels

(Repeat 1)

La, la, la, la:  
Yeah, yeah, yeah  
La, la, la, la:  
We will still be friends forever

Will we think about tomorrow like we think about now?  
Can we survive it out there?  
Can we make it somehow?  
I guess I thought that this would never end  
And suddenly it's like we're women and men  
Will the past be a shadow that will follow us 'round?  
Will these memories fade when I leave this town  
I keep, I keep thinking that it's not goodbye  
Keep on thinking it's a time to fly

(Repeat 1 (3x))
