

Vittorio Grigolo, You Are My Miracle

Tutte le cose che non sai io te le insegner
Le stelle che tu conterai te le regaler
Sapr inventare favole che ti racconter
Cos che I sogni volino pi a nord
So many things I've never known I will learn from you
I'll find reason in your words that are tried and true
E prover a sorprenderti con un sorriso in pi
Cos che possa perderti anche tu
You are my miracle
You are pure and soft just like the air I breathe
You, heart of my heart, heart of my heart
There's a secret that you hold, that you hold
Deep within that so discretely hides your soul
The strength I simply never found, I will find with you
What I believe our future holds, I will see it through

Con te vivr ogni attimo che mi regalerai
Come se fosse l'ultimo per noi
You are my miracle
Acqua chiara e fresca che fa vivere
You, heart of my heart
There's a secret that you hold, that you hold
And it's hidden so discretely
E mi guider
Verso il centro dell'amore
Love, heart of my heart
There's a secret that you hold, that you hold
Che nasconde dolcemente
Will you share with me your secret
Ever more
