

# Vnv Nation, Illusion

I know it's hard to tell how mixed up you feel  
Hoping what you need is behind every door  
Each time you get hurt, I don't want you to change  
Because everyone has hopes, you're human after all  
The feeling sometimes, wishing you were someone else  
Feeling as though you never belong  
This feeling is not sadness, this feeling is not joy  
I truly understand. Please, don't cry now  
Please don't go, I want you to stay  
I'm begging you please, please don't leave here  
I don't want you to hate for all the hurt that you feel  
The world is just illusion trying to change you  
Being like you are  
Well this is something else, who would comprehend?  
But some that do, lay claim  
Divine purpose blesses them  
That's not what I believe, and it doesn't matter anyway  
A part of your soul ties you to the next world  
Or maybe to the last, but I'm still not sure  
But what I do know, is to us the world is different  
As we are to the world but I guess you would know that  
Please don't go, I want you to stay  
I'm begging you please, please don't leave here  
I don't want you to hate for all the hurt that you feel  
The world is just illusion trying to change you  
Please don't go, I want you to stay  
I'm begging you please, oh please don't leave here  
I don't want you to change for all the hurt that you feel  
This world is just illusion always trying to change you  
Please don't go, I want you to stay  
I'm begging you please, please don't leave here  
I don't want you to hate for all the hurt that you feel  
The world is just illusion trying to change you  
Please don't go, I want you to stay  
I'm begging you please, oh please don't leave here  
I don't want you to change for all the hurt that you feel  
This world is just illusion always trying to change you
