

# Voicemail, Best Days Of My Life

[Intro:]

All the littel things that you say to me  
All the little kisses that you give to me  
All the little things

[Verse 1:]

Baby where do I begin (yeah)  
What a beautiful mood I'm in, I'm in  
Cuz loving you has really been one of the most beautiful things (yeah)  
Cuz i love when I call you and I hear you say hello  
And I love when I ask you where you at you say you're at home  
And I love when we are playing, when we are playing all alone, playing all alone

[Chorus:]

These are the best days of my life (my life)  
These are the best days of my life (best days of my life)  
These are the best days of my life (my life)  
These are the best days of my life (best days of my life)  
Best days of my life, of my life (best days of my life)  
You are the best thing in my life (best days of my life)  
Oh, baby (best days of my life)  
Best days of my life (yeah, yeah)

[Verse 2:]

I even love her ups and downs (yeah)  
Cuz making up is a beautiful sound (yeah yeah)  
There is no one else around (no)  
So baby let's go pain the town (yeah)  
Cuz I love when I call you and I hear you say hello  
And I love when I ask you where you at you say you're at home  
And I love when we are playing, when we are playing all alone, playing all alone

[Chorus]
