

Voices, Like Strangers

(M. Spohn, R. Peinelt, A. Torkler)
(from the album "InFormation", 1995)
all the time in school we were together
we shared our dreams and everything
not a single thing could divide us
with you as my friend I felt like king
we were best friends yesterday
but now there is nothing left to say
we met again after years
I said hello and then confusion on my mind
I remembered all those days gone by
and all the things we've left behind
we stood there and talked about the weather
and everything was so insignificant
just talk talk and we felt like strangers
our conversation was just ridiculous
