

# Voices, Made Of Stone

(M. Spohn, R. Peinelt, A. Torkler)  
(from the album "InFormation", 1995)

I wish I was made of stone  
because a stone cannot feel pain  
and if I was made of stone  
I'd never have to dream of you again  
you could just take me up  
and throw me out of your life  
and I wouldn't need to care  
if you'd become another man's wife  
you keep on denying the things I feel for you  
although I'd do things for you that no-one's able to  
you know my love for you is so deep  
I always have to think of you  
for so long I'm not able to sleep  
it is hell I'm going through  
that's why I wish I was made of stone  
because a stone cannot feel pain  
and if I was made of stone  
I'd never have to dream of you again  
you could push me down the cliffs  
and I would fall right into the sea  
and without you there's nowhere  
where I really wanted to be
