

Voivod, Planet Hell

Now, is this real?
Much too real
hell, planet hell
much too real
chemical weapons
burning citizens
body count rising
chaos
digital combat
ruin and debris
decomposed bodies
rancid, planet
hell, planet hell
much too real
deadly enemy
murderous machines
countless homicide
conflict
country vs. country
social anarchy
deconstruct order
anguish, planet
hell, dwell, die, why?
Planet in despair
paralysed with fear
frequent suicide
downfall
technical abuse
nature in decay
nuclear demise
outrage
Hell, dwell, die, why?
Hell, dwell, die...
