## Voivod, Planet Hell

Now, is this real? Much too real hell, planet hell much too real chemical weapons burning citizens body count rising chaos digital combat ruin and debris decomposed bodies rancid, planet hell, planet hell much too real deadly enemy murderous machines countless homicide conflict country vs. country social anarchy deconstruct order anguish, planet hell, dwell, die, why? Planet in despair paralysed with fear frequent suicide downfall technical abuse nature in decay nuclear demise outrage Hell, dwell, die, why? Hell, dwell, die...
