

Voltaire, Hallo Esłkan Min

Hello darling,
Cant believe how long its been
Since I said Goodbye
Saw the seas swell in your eyes
Youre so beautiful
I think you and my heart is full
Come home, my dear
Its so cold without you here

Hallo elskan min
Trui ekki hvađ timinn lidur
Sedan vid skilldumst ad
Sa hafid risa I augum thinum
Thu er svo falleg
Hugsa um thig og hjarta mitt fyllist
Kondu, kondu him
Thad er svo kalt an thin herna

Hallo elskan min
Cant believe how long its been
Since I said goodbye
Sa hafid risa I augum thinum
Thu ert svo falleg
Tahd er svo kalt an thin herna
Come home
Kondu heim
When will I see you again?
