Von Bondies, Been Swank

I've been set up like the innocent. I've been swank And I'm lovin' it.

I've been alone like a little kid. I've been swank And I'm lovin' it.

I've been swank And lovin' it.

Oh no - it's a sin! The Jury's in. Doesn't look like I'll be doin' it again. Cause I've been swank Been swank - and lovin' it.

I've been swank And lovin' it.

The nights are cold
The nights are long.
I'm alone and I've been alone all along.
I've been set-up like the innocent.
I've been swank
And lovin' it.

I've been swank And lovin' it.

I've been swank...and lovin' it
