

Vonda Shepard, A world without love

Please lock me away
And don't allow the day here inside
Where I hide with my loneliness
I don't care what they say,
I won't stay in a world without love
Birds sing out of tune
And raindrops hide the moon
I'm ok, here I'll stay
With my loneliness
I don't care what they say,
I won't stay in a world without love
So I wait, and in a while
I will see my true love smile, yeah
He may come, I know not when
But when he does I'll know
So baby until then, lock me away
And don't allow the day here inside
Where I hide with my loneliness
I don't care what they say,
I won't stay in a world without love
So I wait and in a while,
I will see my true love smile
He may come, I know not when
When he does I'll know
So baby until then, lock me away
And don't allow the day here inside
Where I hide with my loneliness
I don't care what they say,
I won't stay in a world without love
I don't care what they say,
I won't stay in a world without love
