Vonda Shepard, I Started A Joke

I started a joke which started the whole world crying
But I didn't see that the joke was on me

I started to cry which started the whole world laughing
Oh, if I'd only seen that the joke was on me

I looked at the skies running my hands over my eyes
And I fell out of bed hurting my head from things that I said

Till I finally died which started the whole world living
Oh, if I'd only seen that the joke was on me

I looked at the skies running my hands over my eyes
And I fell out of bed hurting my head from things that I said

I finally died which started the whole world living
Oh, if I'd only seen that the joke was on me
That the joke was on me
