La la la la la la la la...

La la la la la la la la...

I've been thinking  
I've been thinking, I've been thinking too much  
I just want to live now for a little while  
And cast my dreams to the wind  
Don't wanna wonder  
Don't wanna wonder what it's all about  
I'm just working for a living singing with my friends  
As I cast my dreams to the wind

Maryland, I'm coming home  
Never worry about what I did wrong  
And that I'll never be what my daddy wanted me to be  
And I'll never see what my mama's dreams were  
But I will sing  
La la la la la la la la...  
La la la la la la la la...

I wanna fly  
I wanna fly down the highway to my home away from home  
This funky funky club on Fairfax Avenue to see you  
And I'll never give up  
Because what is there to give up anyway  
I'm just working for a living working for my pay  
In Maryland it's raining somewhere in some cafe

Maryland, I'm coming home  
Never worry about what I did wrong  
And that I'll never be what my daddy wanted me to be  
And I'll never see what my mama's dreams were  
But I can sing  
La la la la la la la la...  
La la la la la la la la...  
La la la la la la la la...  
La la la la la la la la...
