

Vonda Shepard, This Old Heart Of Mine (Is Weak

Sylvia Moy, Brian Holland, Edward Holland, Jr. and Lamont Dozier

Oh, this old heart of mine
Been broke a thousand times
Each time you break away
I feel you're gonna stay
Lonely nights that come
Memories that flow
Bringing you back again
Hurting me more and more

Maybe it's my mistake to show this love I feel inside
Cause each day that passes by
You got me never knowing if I'm coming or going, but I

I love you
This old heart darling (darling) weeps for you
I love you, yes I do (yes I do)

These old arms of mine
Miss having you around
Makes these tears inside
Start falling down, well
Always with half a kiss
You remind me of what I miss
So I try to control myself
Like I'm gonna start fainting cause my heart stops beating, cause I

I love you
This old heart darling weeps for you (weeps for you)
I love you, yes I do (yes I do)

Oh I try to hide my hurt inside
This old heart of mine always makes me cry
The way you trat me leaves me incomplete
You're in for the day, gone for the week, now
But if you leave me a hundred times
A hundred times I'll take you back
I'm yours whenever you want me
I'm not too proud to shout it
To tell the world about it, cause I

I love you
This old heart darling (darling) weeps for you
I love you
This old heart darling weeps for you (weeps for you)
I love you
This old heart darling (darling) weeps for you
I love you, yes I do (yes I do)
