

Vroom, Let's Get Physical

Sixteen-year-old sex sells to a middle aged man
In a board room, makes big decisions
He says, "it's good business this voice of an angel
To put her on TV"

And they turn on the radio
And you're in our blood but your sales are slow
We'll need you take off your clothes for the good of the record
It helps if you say it's in the name of art
It's a stake that we make for the sake of art

So let's get physical
I feel like it's artistic

And the men with the cameras look deep in her soul
And they capture emotion on video
"It'd work a bit better if we could see
A little more leg"
It helps if you say it's in the name of art
It's a stake that we make for the sake of art

So let's get physical
Let's get physical
I feel like it's artistic
I feel like it's all right

He loosens his belt, saying "One more time,
'cause every great thing takes a sacrifice."

(Christina Aguilera:)
I'm just being who I am and I'm happy with it.
My family is proud of me for doing what I do,
and it's just kind of funny just because it's like,
God I'm really getting under your skin.

Run away as fast as you can
I think you ought to know
That you have the most beautiful voice in the world
Run away as fast as you can

'Cause all you need is love
All you need is love
