

W.A.S.P., Animal (Fuck Like A Beast)

I got pictures of naked ladies
Lying on their beds
I whiff that smell and sweet convulsion
Starts a-swelling inside my head
I'm making artificial lovers for free
I start to howl I'm in heat
I moan and growl and the hunt drives me crazy
I fuck like a beast

I come round, round I come feel your love
Tie you down, down I come steal your love
I come round, round I come feel your love
Tie you down, down I come steal your love

I'm on the prowl and I watch you closely
I lie waiting for you
I'm the wolf with the sheepskins clothing
I lick my chops and you're tasting good
I do whatever I want to, to ya
I'll nail your ass to the sheets
A pelvic thrust and the sweat starts to sting ya
I fuck like a beast

I come round, round I come feel your love
Tie you down, down I come steal your love
I come round, round I come feel your love
Tie you down, down I come steal your love

Come ride, savage seduction
Ride, ride, ride
