W.A.S.P., Animal (Fuck Like A Beast)

I got pictures of naked ladies Lying on their beds I whiff that smell and sweet convulsion Starts a-swelling inside my head I'm making artificial lovers for free I start to howl I'm in heat I moan and growl and the hunt drives me crazy I fuck like a beast

I come round, round I come feel your love Tie you down, down I come steal your love I come round, round I come feel your love Tie you down, down I come steal your love

I'm on the prowl and I watch you closely I lie waiting for you I'm the wolf with the sheepskins clothing I lick my chops and you're tasting good I do whatever I want to, to ya I'll nail your ass to the sheets A pelvic thrust and the sweat starts to sting ya I fuck like a beast

I come round, round I come feel your love Tie you down, down I come steal your love I come round, round I come feel your love Tie you down, down I come steal your love

Come ride, savage seduction Ride, ride, ride
