

# W.A.S.P., Don't Cry (Just Suck)

Tell me are you nasty  
Then I got what you need  
I'll show ya something dirty  
Cause I'm perverse you see  
Don't cry for mercy no, no  
Cause I don't wanna know  
No, not for nothing  
I'll never let ya go

I'm gonna make you nasty  
You'll be my little whore  
Come on and do me until I'm red  
Like a dick on a dog  
Don't stop for nothing no, no  
Cause I don't wanna know  
No, not for nothing  
I gotta let it go

Don't cry, just suck  
And don't get no cramps in your tongue  
Oh come on and do nasty, yeah!

Don't cry, it ain't much  
No you're never too young  
Oh do your nasty  
All over me

I know, I know  
Where you wanna be  
Oh yeah  
It's down on, down on  
Down on your knees

I know, I know  
You're no baby  
Oh yeah  
It's what you need
